

MG.

MODAR GHADEER — F&B BUSINESS DEVELOPMENT CONSULTANT

Transforming ideas into successful food businesses.

I help entrepreneurs and investors build profitable and sustainable food businesses through strategic planning, concept development, operational improvement, and business growth.

WHO I WORK WITH

- New Restaurant Projects
- Existing Restaurant Owners
- Investors
- Growing Businesses
- Businesses Facing Operational Challenges

MISSION

To develop successful, sustainable, and profitable food businesses.

VISION

To become a trusted F&B business development consultant in Malaysia.

SERVICES

Five ways I help food businesses grow

01 Business Consultation

Professional consultation to evaluate ideas, solve business challenges, and support better decision-making.

Business Assessment · Strategic Advice · Opportunity Analysis · Action Plan

02 Concept & Business Planning

Developing restaurant concepts and business plans that create a strong foundation for successful projects.

Concept Development · Feasibility Study · Business Planning · Market Positioning

03 Restaurant Development

Supporting restaurant projects from planning to opening.

Project Development · Equipment Selection · Supplier Coordination · Opening Support

04 Business Performance

Improving operational efficiency, profitability, and customer experience.

Operational Review · Menu Engineering · Cost Optimisation · Performance Improvement

05 Brand Development

Building a professional restaurant brand and customer experience.

Brand Identity · Menu Design · Food Photography · Marketing Materials

MY PROCESS

Discovery → Analysis → Planning → Development → Growth

Let's talk about your business.
